Chapter Two

THE HISTORY OF HOLI

Holi began thousands of years ago. Nobody knows exactly where. Hindus tell us it was about 4,000 years ago. The king wanted to be an invincible god, so he told his subjects to worship him, not the god Vishnu. But the king's son, Prahlada, still worshipped Vishnu. The king grew very angry.

He asked his sister Holika to kill Prahlada. A huge fire was made. Holika thought she was immune to the flames. She pulled Prahlada into the flames. But Vishnu saved her. The evil Holika burned to ashes.

People celebrating Holi in India.
